Dear Club,

My girlfriend Tina and I enjoy making erotic home movies. When we started doing this a couple of years ago, we would film ourselves bonking and watch it afterwards, reliving the fun as we masturbated to the flick.

These days we have our own website, and upload some of our film clips to share with others. We love to get feedback, and often do requests from some of our Internet buddies.

With the advent of DV cameras, we have, of course, broadened our horizons and started filming more elaborate scenes – some of them involving other people. Tina is proud of her body, although, this said, there was a time before she met me when she was rather uncomfortable about her size.

She is a big girl all right – just under six feet tall in fact – but extremely nicely proportioned. The only small thing about her is her waist; her breasts fill a DD cup, and her hips are beautifully rounded and very sexy.

The last time we filmed, we tried something new. We took a room at one of those upmarket country house hotels. Having got the lighting just right, Tina lounged on a sofa naked. With her eyes closed, she leaned back against the rich velvet upholstery, her hands creeping in a teasing fashion up her body until she was cupping her tits. Sighing, she squeezed her voluptuous breasts and ran her brightly lacquered nails across her nipples. I fucking love it when she does that!

Panting just ever so gently, she parted her lips and licked them invitingly, before rolling

her mammoth tits slowly and sensuously. Her breast flesh is flawless and it glistened under the umbrella light as she fingered her teats until she had them hard and erect. The soft pink of her nipples and areolas appeared even more sexy against the rich tan of her body – the legacy of our annual summer hols!

She inspected her breasts, looking down at each tit as she slowly caressed it – as though making sure that the luscious swell of flesh was without blemish. She smiled, satisfied with her inspection, then reached up and let her hair fall loose across her shoulders. Her lush tits seemed even more desirable as her long hair waved down over her shoulder and across one of her bristols. Tina moistened her lips slowly and stroked her breasts with greater passion.

She spoke to the camera now, talking about what she was doing, describing the feelings she gets when she fondles her tits for an online audience – and visibly shivering as she related stories about rough, demanding hands groping them. She wasn't putting it on, either; the stories were true, and she gasped a little as she recounted the details of one particular occasion when she had been felt up by the sensitive, skilled fingers of a total stranger. (The only exaggeration was that he wasn't really unknown to her; he was my good mate Barry, from work!)

Slowly she moved her hands down over her waist and swung her legs up onto the

seat, stretching them out to show their soft, shapely loveliness. She caressed her hips, then brought her hands over to her thighs. Teasingly, she moved them further up until her fingers touched the rich black hair above her pussy.

"Ooh, yes..!" she sighed.

She formed the words slowly, smiling sensuously, then began stroking her thigh. Her thighs spread slightly and one hand glided in and over her cunt. Tina's body trembled fit to shake the cam tripod as her fingers played across her glistening labia. She teased her succulent lips apart, then slowly slipped the tip of a finger inside while pressing her thumb down on her clit.

Her hips gyrated a little in response to the clitty play, and she rubbed her passion button, telling the lens all the while what she was feeling – how she could: "feel desire running all through my body." Then she began to press her finger deeper... smiling at the camera as she pulled her finger out for a moment, kissing the tip, and tasting herself before returning it to her cunt.

This time she pumped rapidly, giving herself the sudden stimulation of a well practiced finger-fuck. Her eyes sparkled in enjoyment, her tongue-tip playing across her sensuous red lips. She arched her back and thrust her tits proudly forward, their firmness and fullness giving them a breath-taking appearance. Burying her fingers even deeper

into her pussy, she became so aroused that her bum started bouncing up and down. The tease was over. She was fucking herself and absolutely loving it.

Abruptly, she stiffened, letting out a loud expletive as her head lolled from side to side, her body shivering and her thighs trembling so hard that you could see the occasional quite violent twitch. She kept pumping her fingers inside her vagina and pressing her knuckles frantically against her clit. Her legs splayed even wider and the camera picked up the sticky trail of her natural libations as they oozed out of her glistening slot. Again she stiffened and swore and her pussy contracted tightly before the strong muscles of her vulva pushed outward, expelling yet more fluid, which began to trickle along her thighs.

Swinging her legs off the couch, Tina turned her back to the camera, spread her thighs wide and bent over, looking through her legs at the lens as she furiously frigged her cunt. The tension in the muscles of her legs displayed their strength and her huge tits hung magnificently. Those were a picture on their own! I should say she positively glowed from the impassioned stimulation that she was giving herself.

Tina panted and gasped as tremors of passion seemed to threaten to tear her apart. Her eyes looked dazed – glassy, really – as she gave herself up, wailing like a fucker, to the surging thrill of her orgasm.

How are you finding Vegas?

So you're a fan then?

"What of, kangaroos or rugby?" she replies with a cheeky smile.

T♣AL RECALL

Now Charlie here from Club Vol.22 No.05 is a lady that demands your attention, and she certainly caught the gaze of Alan from Braintree, back when Naomi Campbell was still dating Mike Tyson. "From the moment my eyes fell upon Charlie and her riding crop I couldn't stop tugging the cracker. Even after Club 22.08 came out I still kept going back to that issue. A phenomenal set!" Well Alan, we couldn't agree more after digging out a copy from our vintage porn cellar and blowing the dust off. What a corker Charlie is here playing Lady of the manor. Now, who's turn is it to be Mellors? I'm game if you are!

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

TIGHTIE WHITIES

I've always had a major sexual 'thing' for girls wearing white cotton panties. I suppose one reason might be that these fetching little white undergarments are generally worn by younger, less sophisticated females. I find natural fabrics to be much more pleasant to the touch, and as they are far more absorbent than synthetics, they hold the ladies' erotic scent better, which greatly enhances my pleasure.

Over the past few years, I have spent many happy moments undressing my girlfriends and revealing their cotton-clad pussies, but the most exciting of them all has to be my current girlfriend, Angie. Just thinking of the outline of her sweet young pussy bulging against the tight white fabric makes me rock-hard.

Angie is a vivacious 19-year-old with a neat young figure and perky little tits. Because of her inclination towards wearing white cotton panties and ankle socks, she has a deceptive air of innocence about her, but nothing could be further from the truth. Angie is a dirty little tart, and is, in fact, one of the hottest fucks that I've ever thrown my leg across.

up in the air. She had been bending down to retrieve a roll of kitchen paper that had accidentally tumbled off the worktop. She was wearing one of my shirts, which had ridden up over her delightfully pert little buttocks as she bent over, allowing me a peep of her white cotton gusset before she stood erect again.

Inflamed by such an erotic sight, I removed the kitchen roll from her hands, and kissing her hungrily, I lifted her up and sat her on the kitchen table. Flipping her shirt-front aside, so the white 'V' of her panty crotch came into view, I gently pushed her onto her back with her knees bent and set her feet on the table top. As I lowered my head towards her crotch, my nostrils were assailed by the delirious fragrance of her pussy, which was dampening the snowy white fabric with her essence.

My lips moved toward the reinforced cotton gusset, and I reached up and mauled her soft little tits. Then, moving my lips over her pubis, I sucked her juices from the saturated fabric. Pressing my tongue hard against the material, I sought out her swollen clitoral hood, hidden away beneath the panty crotch.

Without my having asked her to do so, Angie leaned further back on the table, raised

her bum-cheeks slightly and opened her legs wide enough for me to have easy access to the entire length of her panty crotch. Abandoning her neat little breasts, I moved my hands down to her crotch and held her legs firmly apart. I peppered the insides of her thighs with little kisses, alternating this with nuzzling my nose and lips against her sweet-smelling, albeit-still-protected snatch.

Angie giggled and urged me to continue kissing her there; then she pulled my head flush against her now completely moistened panty crotch. I paid special attention to her clitoris and vaginal entrance as I ate her right through the material.

Finally, after what seemed an eternity of panty snuffling, I stood up. Angie kept her legs well opened, so I was able to work the head of my penis, which was still inside my trousers, right up against her box. She sat up and wrapped her legs around my waist, holding me hard against her, before undoing my belt buckle and unzipping my trousers.

Taking my cock out, she licked her lower lip sensuously. Then, with a wild, wanton expression on her face she slid off the table and knelt on the floor in front of me. She smiled up at me as she pulled my trousers

down my legs.

Her fingers moved to the waistband of my boxers, and she slowly drew the material over the head of my cock, exposing my helmet, which was dribbling with pre-cum.

Angie planted a soft kiss on my exposed cock head. Then, staring directly at my straining member, she slowly drew my shorts all the way down. It felt really sexy,

standing in front of Angie with my shirttail to either side of my unholstered sword, and the way she affectionately stared at my cock made me feel warm inside. She grasped the middle of my shaft in the palm of her hand and squeezed it, causing the helmet to blush even darker.

She licked her lips sensuously, and I gulped, anticipating that those thick lips soon be

“Having sucked one testicle, she went to work on the other, sucking it back and forth...”

wrapped around my cock. “Suck me, please,” I begged her.

I watched with growing pleasure as Angie’s lips formed the familiar ‘O’. I wanted to plunge myself into her but decided to hold back and let her do all the work.

The wait was more than worth it. I closed my eyes and enjoyed the pure, sweet ecstasy of the moment. She began using the tip of her tongue to rim my pee-hole, flicking her tongue over my knob then changing the amount of pressure she applied with her fist and altering the rhythm as she orally massaged my growing member. She then drew my penis all the way inside her mouth, coating it with copious amounts of her saliva. At the same time, she placed her fingers under my balls, cupping them gently, and feeling their weightiness.

Taking my cock out of her mouth, she sucked my left testicle gently, running the tip of her warm, wet tongue all over it. Having sucked one testicle, she went to work on the other, sucking it back and forth, teasing it with her tongue, and nibbling on it ever so gently. Then she became brave and, opening her mouth as wide as she could, she took my entire sac inside it, resuming her sucking and licking, working the tip of her tongue between my testicles!

When she stopped and looked up at me once more, I’m certain she could tell I was absolutely beside myself with excitement. “Turn around!” she murmured, her face a picture of pure desire. I turned, as requested, presenting her with my buttocks.

“Bend over a little and spread your cheeks apart,” she directed, her tone noticeably more confident all of a sudden. I opened my legs a bit more, for balance, then bent at the waist and moved my hands to my backside. She had never seen this most private area, nor had she expressed any interest in it, at least not up until now. I felt funny, prying my arse cheeks apart, and exposing my anus to her.

“Hold still,” Angie whispered, then moved her head forward and began kissing, tremendously softly, the inside of the splayed crack of my arse, being careful to avoid the puckered ring so near her lips. She used her tongue to lick the entire length of my crack, back and forth, perhaps a dozen or more times, each time stopping just short of my anus. Then Angie reached around and grasped my cock, slowly stroking it. Simultaneously, she pursed her lips and surrounded my anus with them. I moaned

“I shall never forget the unbelievable feeling of my anus contracting around her tongue...”

loudly.

At first, she merely kissed the puckered opening, building up more of her nerve with each passing moment. The dual sensation of a hand job and an anal kiss was so exquisite that I didn't want it to stop – ever. Angie began to lap at my ring, almost imperceptibly, in fact, it took me several seconds to realise that the tip of her tongue was actually tickling my anus. Her movements were subtle, calculated to increase my pleasure by the tiniest of degrees. Had she just plunged her tongue into me, the sensations wouldn't have been so agonizingly wonderful. When she began to slowly work the tip of her tongue into the centre of my anal opening, rimming my asshole, I thought I would faint from the sheer enjoyment. Not satisfied with having penetrated me, she soon began pistoning her tongue with varying rhythms and speeds.

She pumped my cock faster, and I shall never forget the unbelievable feeling of my anus contracting around her tongue... Luckily I came to my senses before she made me cum off. After all: I had promised to give her a good seeing-to.

I jerked forward and gently wrested my cock from her hands. Then, laying her on the floor, I lifted her legs and rested her ankles on my shoulders. I felt my cock ache as I pulled the crotch of her little white panties out of her cunt crack and spread the reinforced cotton gusset to one side of her pussy. Only a few untrimmed downy curls peeked out from the sides of the material, and, unable to help myself; I plunged my rampant tool deep inside her sopping gash.

She humped her crotch upward, pushing my cock even further in, and as I felt the damp crotch of her panties graze against the side of my penis, my seed welled up in my balls. Rubbing against the sodden fabric increased my ardour, and when my nostrils picked up that familiar odour of pungent womanhood, I became almost insatiable.

Her moisture-laden vagina was wide-open and inviting, and I battered her pouting labia

as I mashed my full length in and out of her squelching box. She came hard, her pussy muscles clenching – constricting tightly as if her only mission in life was to milk me of my seminal fluid. Again and again, I continued to pound her box, and Angie screamed as she orgasmed repeatedly.

It took every shred of control to keep myself from firing my primed pistol there and then, but with a massive effort, I contained my sperm. With my shaft buried deep in her cunt, I breathed slowly and evenly, willing myself to relax and enjoy the blissful feeling of her pussy squeezing rhythmically around my penis. I managed more than a few more strokes, but it was too much and I force-filled her panty-framed cunt with a simply whopping load.

GLOBE THEATRE

**All the world's
a stage, and
sometimes famous
ladies get their
norks out on it...**

The unseemly delay in elevating Rachel McAdams to the stage of the Globe Theatre is more her fault than ours. As she moves into her late 30's, we were hoping for a bit more nudity from the Canadian cutie, but it seems this A-lister is actually becoming a bit more shy. Our last glimpse of her Canuck cans was in 2013's *To The Wonder*, then hop in the time machine back to 2009 for a smidgen of bum in *The Time Traveler's Wife*. For lots of boobs, we have to dig our way back to 2002's obscure *My Name Is Tanino*. Ten years between boobs? Now that's rack rationing! ♣

KAYLA 

Come on Kayla Louise, get that body slam underway and pin her down! So when we tried to follow Kayla on Twitter we were surprised to find ourselves on the page of a female wrestler, who wasn't shy by any means as we watched a video of her locking her opponent to the floor. Perplexed and unsure as there were masks involved we made our confession to Kayla, who laughed heartily and reassured us that wasn't her, though she admired the power of her name double as we watched a small clip of her rocketing some poor soul around the ring. ♣

Wedding Cells

Perfect for getting rid of that after sex taste!

Walmart was awash with the news of wedding bells as a dramatic proposal took place over its PA system after William Cornelius, 25, purchased a \$29.95 ring for his now fiancée, 20-year-old, Sheri Moore. But loves young dream was brought quickly to a halt after the pair spent the night in separate cells after being arrested for shoplifting oral sex candy and a vibrator from Spencer's. The couple fled the scene after a store employee called the police, only to be picked up later at a Taco Bell. Clearly they were trying to sort out the wedding night early.

Flatulence Flap

Divorce rates rise, after rear explosion!

Danger
Toxic Gas

Once in awhile everybody lets off a rotten egg but one 55-year-old woman didn't find the thing a gas when her husband let one rip in bed. Dawn Meikle was arrested for battery after her husband passed wind while in bed together. Meikle allegedly started kicking and elbowing her husband, forcing him out of bed and onto the floor. Once the air had cleared (so to speak) Mr Meikle hopped back into bed where another expulsion of gas

occurred, this time, Meikle discharged a can of pepper spray and ran into the bathroom. Mr Meikle has since developed an aversion to beans.

Face-booked

Social Media proves an effective crime-fighting weapon when stupidity is involved. For example, 28-year-old Dustin Rittgers was arrested just hours after posting a 12-second video clip of himself drink driving. The video clearly shows Rittgers swigging from a partially covered bottle while driving with just one finger on the wheel, at the same time as operating the video camera on his mobile device. Rittgers entered a plea of not guilty to the five charges against him. Now whoever said men couldn't multitask...

On a perfect Tuesday morning, we were confronted with the arresting aroma of cooked bacon and coffee when we arrived at Roxi's. It turned out she'd been busy in the kitchen making us something to nibble on, bless her. So it will come as no surprise that the kitchen seemed like the best place to capture Roxi and her naughty antics. So once we'd got all the cooking jokes

out of our system and stuffed our faces with some delicious fodder, our photographer got down to some serious snapping, Roxi opened up and about her love of a good meal that can be shared.

"I suppose the same goes for these naughty pics, there so much better shared. It makes me horny just thinking about it!"

It's clear that Roxi has all sorts of meat on her mind...

CAUGHT IN THE ASS!

I knew before we started dating that my boyfriend, Martin, was a shit, but like most naïve girls, I thought I could change him. He'd always had a reputation as a ladies' man, but I foolishly thought that as long as I was an utter slut at bedtime, I'd be able to keep him to myself. God, how wrong was I?

Of course, he was good as gold for the first few months, but then the late nights at work and nights out with the lads started cropping up more frequently, and I began to smell a rat. In the end, I did the bunny boiler thing, and stalked him at work one night. Martin works as a shift supervisor for a cleaning company, so keeps odd hours at the best of times. He'll quite often do night work to top up his income, and I knew that he would be working in the City at a brokerage house near to the bank I work at. So, after a meal with some girly friends and a few drinks, I headed along to see if I could catch him out.

Getting into the building was no problem, since one of the other cleaners was working in the foyer and could vouch for me with the security guard. I tipped the lad with the polishing machine a tenner and asked him

not to tell Martin, because I wanted to surprise him.

Martin was up on the 10th floor, apparently, so I headed up to the ninth floor on the lift, and used the stairs to sneak up to the next level. To my surprise, the floor was dark, and there wasn't a single vacuum cleaner to be heard. Maybe I'd misheard the cleaner? I carefully walked around the corridors, unable to see anything moving at all, until a sound caught my attention. It was one I recognised: the sound of Martin's grunting as he fucked.

I felt furious and sick at the same time, and tip-toed over to the glass office wall where the noise was coming from. Peeking around the corner, I looked in and saw Martin on his knees, servicing a woman from behind. She was obviously one of his contract cleaners (I could tell by her outfit), and from the way the sweat was dripping off Martin's back, they'd been at it for a while. I stood there, stunned, humiliated and hurt by the scene before me. I wanted to walk right in and kick him square in the balls for what he'd done to me, but I couldn't. I was rooted to the spot, mesmerised by the scene.

From my position, I couldn't see the girl Martin was so enthusiastically fucking, so I moved around slightly, so that I could get a better view of her. She was a pretty little blonde thing, probably only about 20, so at least five years my junior. I bitterly wondered if that's why my shitty boyfriend had gone for her: the bloom of youth and all that. Her tits were very large for her small size, and swayed back and forth as Martin pistoned into her. Clearly, her unattractive overalls were getting in the way, because Martin paused briefly so she could remove them fully, and I got a much better view of her as she stood to take them off. For starters, she was wearing black hold up stockings (hardly the right outfit for industrial cleaning) under her overalls, and her matching thong and bra were cast to one side on the floor. It seemed obvious to me that if she was dressing for the occasion, then this wasn't a one-night stand. What troubled me most, though, was the fact that I found the whole thing rather exciting. My heart was fluttering, and I had that warm

“I had the perfect view of his rock hard cock, wet with her juices, as he nudged his helmet towards her cunt”

sensation in my groin. I was becoming aroused watching my boyfriend's infidelity, and that bothered me.

The slut got back down on her hands and knees and Martin shuffled into position, his trousers still round his ankles. Very classy. From where I stood, I had the perfect view of his rock hard cock, still wet with her pussy juices, as he nudged his helmet towards her bald cunt. Martin held his member in one hand and wiped his glans up and down the length of her slit, but just when I thought he was going to ram it inside her, she looked over her shoulder at him and muttered something. Taking her lead, Martin moved his prick further up and as my mouth opened in amazement, he gently pushed his cockhead into the tight pink ring of her anus. As his helmet penetrated her, she threw her head back, her blonde hair cascading down her back and her hands clenching into little fists.

Almost instinctively, my hand slipped under my skirt and grazed across the gusset of my panties. As I suspected, it was already wet, and I gave in to the urge and eased a finger under the material and slid it inside, dragging my palm down over my stiffening clitty.

Martin got ambitious now, and stood up in a crouch so his balls dangled over his slut's arse cheeks as he fucked her. I was stunned to see how hard he was fucking her arse; driving it all the way, deep inside her and then pulling out until his glans almost slipped out,

before powering it back up her arse. She obviously enjoyed it, though, because it wasn't long before she reached underneath herself and started ramming a couple of fingers into her wet cunt in time to his thrusts. I copied her, timing my own wank to her movements, rubbing my clit as I fingered myself, my panties soaking up more and more of my juices.

I knew Martin couldn't hold out for long like this (through experience!), and sure enough, within a few seconds he yelped that he was going to cum. I wasn't sure what to expect next, but I certainly didn't imagine the porn film scene that I was about to witness. Martin pulled his prick from her gaping bumhole and waddled round to her face. She eagerly grabbed his twitching cock and guided it into her mouth. Martin then fucked her face for a few strokes as her cheeks hollowed and puffed, finally grunting and firing his load deep down her throat. As if to prove it, as his softening cock slid out of her mouth, she opened her mouth wide and grinned at him,

“Martin fucked her face for a few strokes, finally grunting and firing his load deep down her throat”

showing that she'd swallowed his load.

Martin kissed her, and as he pulled his trousers on, I came up with a plan. Moving down the corridor, I rang his mobile phone and faking tears, told him I'd been mugged, and that he'd better get down to the A&E right away. Sure enough, within five seconds, Martin flew down the corridor, tucking his shirt in as he went, and jumped into the lift. Serve the bastard right when he gets there and I'm not around, I thought.

And then I had another thought. I still hadn't cum, and my burning cunt needed relief. Fuck it, I thought, and walked right into the office where the little cleaning slut was drying her wet cunt with some tissues. She jumped up as I walked in, and tried to cover her nakedness with her overall.

"Don't bother, love," I told her. "I've just watched my boyfriend fuck you in the arse, so it's not like you're showing me something new." At that, she was speechless, so I took control, which is what I'd wanted to do.

"He's good, isn't he? Did you cum?"

She nodded and then shook her head.

"What's your name?"

"Gemma," she whispered.

"Well, Gemma, from what I saw, you're a dirty little bitch, aren't you?"

"I don't want to get into a fight about this," she murmured, looking around to see if anyone would come to her rescue.

"Martin won't be back for a while," I smiled, mischievously. "I told him I was in casualty."

"What do you want?" Gemma almost whimpered.

I held up my short skirt, showing Gemma my wet knickers. "Guess," I told her.

At this, Gemma's face almost broke into a grin, and she dropped back to her knees,

**“I sat astride his thighs
and kneaded my knockers
as I slid them up and
down his pole”**

casting her overalls to one side, and came towards me. Gemma pulled my panties down my thighs, burying her face in my bush and started gently lapping at my soaking cunt. It wasn't the first time another girl had eaten my pussy, but it was definitely the horniest. My knees trembled as Gemma's tongue wormed its way inside my twitching hole and she ran her teeth over my clitoris. Looking down, I was even more turned on to see her hand disappear between her legs as she played with her own cunt.

As Gemma's tongue started to fuck me in a slow, powerful rhythm, I felt the muscles of my cunt tighten as a wave of pleasure flowed through me, confirmed by Gemma's moans as she came off at the same time. I thought that would be the end of it, but Gemma continued to lick my pussy until the spasms had subsided, and then wiped me dry with some tissues. I was half tempted to return the favour, until I remembered my place in this 'relationship'.

Straightening my clothes, I turned to her and snatched the thong from her hands as she was about to put it on.

"We should do this again," I told her, and Gemma turned to the nearest desk and jotted her mobile number down on a scrap of paper. "Call me. Anytime, really. I'd love to do that again," she sort of smiled. "Why do you want my panties?" she asked.

"I'm going to put them in Martin's jacket

pocket later tonight, to keep him on his toes. Oh, and you can keep seeing him if you like, but I'll expect the same treatment whenever I want it, and I might do the same for you, too." I told her.

So I now have a panicking boyfriend who can't do enough for me, and his dirty little slut ready to eat my cunt whenever I want it. Who said cheating boyfriends are all bad?
Caroline, London.

TONGUE AND TITS!

I'm a streetwise, sussed woman, and I'm well aware of the effect my body has on red-blooded blokes. You might think me vain, but I'm just telling it like it is. I've got alert, sparkling eyes, and my mouth is kind of wide, with full, snuggable lips. My legs are long and shapely, my arse is full and round, and my skin is silky and sensuous. But my best feature has to be my tits, which, to be blunt, are enormous! They're entirely nature's work – I've never felt the need to cosmetically augment what God gave me – and I've found that fellas like nothing better than to have me squeeze them around their heads and their cocks. Yes, guys love to suck 'em, fuck 'em, grab 'em and grope 'em and I couldn't be happier with that!

Take last Friday night. This cute guy I'd picked up at the club gave me that same familiar gobsmacked look when I stripped in front of him in my bedroom. It's not like he'd have been completely surprised at the size of my assets. No, I reckon guys get like that with me because they can't believe their luck when what they've been gagging for all night is finally within reach.

His hands were all over the place as I helped him off with his kit, so I had to do most of the work myself. But it was worth it by the time he was totally starkers, and I

wrapped my big, juicy lips around his – well, big, juicy hard-on! God, I love to do that. This guy was in raptures from minute one, like they always are when I get my gob to work on their tackle.

I did my old trick of tensing my lips and wagging my tongue underneath his helmet, then sliding down the shaft till the whole works were in my mouth. On sliding up again, I bared my teeth, to grate a little along the shaft till just his knob head was left in my mouth. That's my technique, and blokes love it; this guy being no exception!

After a short while, my fella's nut-sack tightened, and I knew he was nearly ready to spurt unless I eased off a bit. I'd been frigging myself all the while – I know you blokes like that too! – and I was almost as close to

climax as he was. I wanted us both to get off in a really special way, so I decided to bring out the big guns – if you know what I mean!

Standing up suddenly, I let my tits sway enticingly with the force of the motion, giving my hunk a wink and nodding him towards the bed. I got him to lie on the bed, and that's when I gave him the tit-fuck of his life. I've done that loads, and I just get better every time. I sat astride his thighs and kneaded my knockers as I slid them up and down his pole, which was sunk so deep into my cleavage that at times I could only see the glistening tip peeking up at me; a little glinting glob of cock-cream already seeping out.

The sight of that got me going even more. I didn't have a hand free to keep strumming at my clit, but I didn't need to – I could feel my

orgasm building in my box like a champagne bottle about to burst its cork. Plus, I could swear I could feel lover-boy's cock head swelling fit to burst; my knockers are that sensitive.

Then – pow! A fountain of pearly juice sprayed over my open lips, then another shot sprayed across the top of my quivering mams. There were two more showers that completely coated my tits – and, believe me, that's an awful lot of spunk!

Dressed to impressed as you can clearly see, newbie Carla is causing quite a stir in many departments as we can help but stare at her appealing red lingerie. But the other half of the Howe twins seems oblivious to the sensation she is causing, or she's just being very polite and pretending not to notice. We can only guess what's going on beneath those lush dark locks and soft blue eyes, and so we let our imaginations run wild.

CARMEL!

Meow for

MIA!

If there's one woman we know who has the ability to hold a room as soon as she walks into it, it's Amy Green. The fun and glamorous blonde easily captives our attention in her black lace lingerie and we are already chewing our cheeks before she's even slipped a strap off her shoulder. We're sure this is nothing new to Amy, but she's modest all the same.

"I don't think I'm anything special; I just happen to enjoy taking my clothes off in front of a camera."

And boy is she good at it!
